

GOD'S STILL WORKIN'

(Rich & Tami Stevens/BMI)

*God's still workin' even when we're sleepin'
His ears are always hearin'
His eyes are always seein'
There are prayers in need of answers
And promises for keepin'
God's still workin' even when we're sleepin'*

Peter slumbered
Tho' tightly bound to prison guards
Things weren't hopeful
But his heart was not alarmed
Then an angel came and shook him
He said, "Arise, awake
While you've been soundly sleepin'
God's planned your prison break!"

*God's still workin' even when we're sleepin'
His ears are always hearin'
His eyes are always seein'
There are prayers in need of answers
And promises for keepin'
God's still workin' even when we're sleepin'*

So lay your head down
And don't be anxious anymore
Take your burdens
And cast them on the Lord
For when your day has ended
He's only just begun
And when you least expect it
Deliverance will come

*God's still workin' even when we're sleepin'
His ears are always hearin'
His eyes are always seein'
There are prayers in need of answers
And promises for keepin'
God's still workin'
God's still workin' even when we're sleepin'*

*God's still workin' even when we're sleepin'
His ears are always hearin'
His eyes are always seein'
There are prayers in need of answers
And promises for keepin'
God's still workin' even when we're sleepin'*

*There are prayers in need of answers
And promises for keepin'
God's still workin', God's still workin',
God's still workin' even when we're sleepin'*

IF THAT ISN'T LOVE

(Dottie Rambo/ASCAP)

He left the splendor of heaven
Knowing His destiny
Was the lonely hill of Golgotha
There to lay down His life for me

*If that isn't love
The ocean is dry
There's no stars in the sky
And the sparrow can't fly
If that isn't love
Then heaven's a myth
There's no feeling like this
If that isn't love*

Even in death, He remembered
The thief hanging by His side
He spoke with love and compassion
Then He took him to Paradise

*If that isn't love
The ocean is dry
There's no stars in the sky
And the sparrow can't fly
If that isn't love
Then heaven's a myth
There's no feeling like this
If that isn't love*

*There's no feeling like this
If that isn't love*

ANYBODY GOT JOY

(Rich & Tami Stevens/BMI)

*Anybody got joy in the Lord
(Anybody in this place)
Anybody got joy in the Lord
(Let it shine all over your face)
Anybody got joy in the Lord
(Anybody in this place)
Then make a joyful noise*

*Anybody got joy in the Lord
(Anybody in this place)
Anybody got joy in the Lord
(Let it shine all over your face)
Anybody got joy in the Lord
(Anybody in this place)
Then make a joyful noise*

Why are we so quiet
Why do we try to hide it
If we've got joy
Better let the whole world know
If Jesus Christ has saved us
His mighty power has raised us
Can't keep it in
Gotta let our praises flow

*Anybody got joy in the Lord
(Anybody in this place)
Anybody got joy in the Lord
(Let it shine all over your face)
Anybody got joy in the Lord
(Anybody in this place)
Then make a joyful noise*

Can I hear a hallelujah (hallelujah)
Praise His name (praise His name)
Thank You Jesus (thank You Jesus)
Let's celebrate, He's worthy of our praise

*Anybody got joy in the Lord
Anybody got joy in the Lord
Anybody got joy in the Lord
Then make a joyful noise*

I've got joy, real, real joy.... (etc)
The joy of the Lord is my strength
Real, real joy.... (etc)
Joy, joy, real, real joy.... (etc)

*Anybody got joy in the Lord
(Anybody in this place)
Anybody got joy in the Lord
(Let it shine)
Anybody got joy in the Lord
(Anybody in this place)
Then make a joyful noise
Why don't you make a joyful noise*

*Make a joyful noise
Anybody got joy*

LOOK LIKE YOU

(Rich & Tami Stevens/BMI)

Some people say I look a lot like you
I know how you feel, I look like my mom too
I've got your sweet smile
Those straight and pearly teeth
Got your brown eyes
Your funny crooked feet
I look like you, I guess you do

When I look in the mirror
I don't always like what I see
An imperfect woman
Is staring right back at me
I want to be your hero
But I'm bound to make mistakes
We need a good example
Someone to imitate
This is my prayer, it's one we share

*Lord, we want to look like You, Jesus
We want to look like You
No matter where we go
No matter what we do
Lord, we want to look like You*

*We want to look like You, Jesus
We want to look like You
No matter where we go
No matter what we do
Lord, we want to look like You*

Mom, I hope you know
I love when people say we go together
But when it's said and done
To look like Him is so much better

*Lord, we want to look like You, Jesus
We want to look like You
No matter where we go
No matter what we do
Lord, we want to look like You*

To be like Jesus
To be like Jesus
All I ask, to be like Him
This is our prayer, it's one we share

*Lord, we want to look like You, Jesus
We want to look like You
No matter where we go
No matter what we do
Lord, we want to look like You*

*No matter where we go
No matter what we do
Lord, we want to look like You
This is our prayer, it's one we share*

HOPE IS AT THE ALTAR

(Based on a true story....)

(Rich & Tami Stevens/BMI)

Once upon a Sunday in a church not long ago
She was searching for an answer
Seated in the second row
Desperately she held on
To the frayed ends of her rope
But everyone was praying
For this girl who's name was Hope

She listened to the preaching
And the singing on that day
But was the Holy Spirit reaching
Was her heart a stone or clay
As the pastor closed the service
Down the aisle she made her way
Then he paused for just a moment
And the people heard him pray

*Hope is at the altar
Seeking for Your touch
Life has left her empty
Now she's needing You so much
Lord, please come and fill her
Let her know You care
Hope is at the altar
And we know You'll meet her there*

Maybe like that young girl
You've been wounded by your past
Jesus knows your desperate need
Before you even ask
His arms are reaching out to you
He is passing by your way
He is near the brokenhearted
Just take a step of faith

*Hope is at the altar
When you're longing for a touch
If life has left you empty
And your road's been long and rough
Jesus wants to fill you
And let you know He cares
Hope is at the altar
When you meet the Saviour there*

Long before the world was formed
Jesus knew that you'd be here
He feels the pain you're feeling
And He sees every tear

*Jesus want to fill you
And let you know He cares
Hope is at the altar
When you meet the Saviour there*

*Hope is at the altar
When you meet the Saviour there
You can meet the Saviour there*

JESUS IS COMING SOON

(R.E. Winsett/SESAC)

Troublesome times are here
Filling men's hearts with fear
Freedom we all hold dear now is at stake
Humbling our heart to God
Saves from the chastening rod
Seek the way pilgrims trod
Christians awake

*Jesus is coming soon
Morning or night or noon
Many will meet their doom
Trumpets will sound
All of the dead shall rise
Righteous meet in the skies
Going where no one dies
Heavenward bound*

Troubles will soon be o'er
Happy forevermore
When we meet on that shore
Free from all care
Rising up in the sky
Telling this world goodbye
Homeward we then shall fly
Glory to share

*Jesus is coming soon
Morning or night or noon
Many will meet their doom
Trumpets will sound
All of the dead shall rise
Righteous meet in the skies
Going where no one dies
Heavenward bound*

He's coming soon, He's coming soon
With joy, we'll welcome His returning
It may be morn, it may be night or noon
We know He's coming soon

*Morning or night or noon
Many will meet their doom
Trumpets will sound
All of the dead will rise
Righteous meet in the skies
Going where no one dies
Heavenward bound
Heavenward bound*

THE MORE I THINK ABOUT HEAVEN

(Rich & Tami Stevens/BMI)

When you're young
Thoughts of heaven don't occupy your mind
When you're living for the moment
And time is on your side
But not long ago
I lost someone who meant the world to me
Now for the first time in my life
I'm thinkin' 'bout eternity

*The more I think about heaven
The more I think I'd like to go
To look into the face of Jesus
And see the ones that I love so
The more I think about leaving
The more I think that's where
I'm meant to be
The more I think about heaven
The more I know it's real to me*

If only I could live each day
As if it were my last
Holding all the gifts this life can bring
So loosely in my grasp
I'd invest my time pursuing things
That last eternally
For I know that where my treasure is
That's where my heart will be

*The more I think about heaven
The more I think I'd like to go
To look into the face of Jesus
And see the ones that I love so
The more I think about leaving
The more I think that's where
I'm meant to be
The more I think about heaven
The more I know it's real to me*

*The more I think about heaven
The more I think I'd like to go
To look into the face of Jesus
And see the ones that I love so
The more I think about leaving
The more I think that's where
I'm meant to be
The more I think about heaven
The more I know it's real to me*

*The more I think about heaven
The more I know it's real to me*

OVERBOARD

(Rich & Tami Stevens/BMI)

I was drifting on the ocean vast
Going under, sinking fast
Jesus heard my cries for help
And came to rescue me
He said, "The reason you can't stay afloat
There's a weight of sin inside your boat"
Then He picked my burdens up
And cast them in the sea

*He threw them overboard, overboard
Jesus took my sins and threw them overboard
Overboard, my faithful Lord
Jesus took my sins and threw them overboard*

Are there things that weigh down
Causing you to nearly drown
Let me introduce you to
The One who set me free
He can lift your load of sin
Nothing is too hard for Him
Let Him do for you exactly what He did for me

*He threw them overboard, overboard
Jesus took my sins and threw them overboard
Overboard, my faithful Lord
Jesus took my sins and threw them overboard*

Sometimes I start to thinkin'
'Bout the chains that used to bind me
But I'm no longer sinkin'
Since Calvary reminds me

*He threw them overboard, overboard
Jesus took my sins and threw them overboard
Overboard, my faithful Lord
Jesus took my sins and threw them overboard*

*He threw them overboard, overboard
Jesus took my sins and threw them overboard
Overboard, my faithful Lord
Jesus took my sins
Jesus took my sins
Jesus took my sins and threw them overboard
Jesus took my sins and threw them overboard*

MY FATHER KNOWS BEST

(Rich & Tami Stevens/BMI)

As a boy
I went walking one evening with Dad
And I wondered
Could we find our way home
Then my father said
"Son, just take hold of my hand
I'm here, child, and you're not alone"
My steps became weary
The road seemed so dark
But as I held to him tightly
I knew in my heart

*That I trust my father completely
And I'm learning to walk where he leads me
Though I can't see the way clearly
In his love I can rest
For I know my father
And my father knows best*

In this life
Things don't always turn out like we plan
And when I can't find my way on my own
My heavenly Father says
"Hold to My hand
I'm here, child, and you're not alone"
When my steps become weary
The road seems so dark
I just hold to Him tightly
For I know in my heart

*That I trust my Father completely
And I'm learning to walk where He leads me
Though I can't see the way clearly
In His love I can rest
For I know my Father
And my Father knows best*

When I trust Him in all of my ways
He will guide me for all of my days

*So I trust my Father completely
And I'm learning to walk where He leads me
Though I can't see the way clearly
In His love I can rest
For I know my Father
And my Father knows best*

*Though I can't see the way clearly
In His love I can rest
For I know my Father
And my Father knows best*

*I know my Father
And my Father know best*

GETTIN' READY FOR THEN AND THERE

(Rich & Tami Stevens/BMI)

*Oh I am not just livin' for here and now
I'm gettin' ready for then and there
'Cause when my days on earth
Have come and gone
Jesus has a place prepared
So I am laying up treasure on the other side
Where nothin' in this world compares
You see I'm not just livin' for here and now
I'm gettin' ready for then and there*

If time were an ocean called eternity
Don't you know this life that we hold so dear
Would be a drop in the sea
'Cause when we say 'forever'
We could never conceive
Everlasting life in our home on high
For everyone who believes

*Oh I am not just livin' for here and now
I'm gettin' ready for then and there
'Cause when my days on earth
Have come and gone
Jesus has a place prepared
So I am laying up treasure on the other side
Where nothin' in this world compares
You see I'm not just livin' for here and now
I'm gettin' ready for then and there*

This life is a vapor we cannot hold in our hand
But someday soon when we reach that shore
I know we'll understand
That this was just a rehearsal
For that heavenly place
And what was done for Christ living here below
Time will never erase

*Oh I am not just livin' for here and now
I'm gettin' ready for then and there
'Cause when my days on earth
Have come and gone
Jesus has a place prepared
So I am laying up treasure on the other side
Where nothin' in this world compares
You see I'm not just livin' for here and now
I'm gettin' ready for then and there*

*Oh I am not just livin' for here and now
I'm gettin' ready for then and there
'Cause when my days on earth
Have come and gone
Jesus has a place prepared
So I am laying up treasure on the other side
Where nothin' in this world compares
You see I'm not just livin' for here and now
I'm gettin' ready for then and there*

*Gettin' ready for then and there
Gettin' ready for then and there*
